Dulux® Help & Advice 0800 800 424

duluxnz

Colours shown are as close as possible to the actual paint colours as the printing process allows. Always confirm your colour choice with Dulux A4 colour swatches and sample pots or Dulux Powder Coatings swatches. All 2026 Dulux Colour Forecast colours can be matched to powder coatings using our CustomColour™ service. The Dulux Powder Coatings colours listed are part of our stocked, readily available range.
